Certified Organic to the USDA National Organic Program

Certified Organic to the USDA National Organic Program regulations, 7CFR Part 205. Once certified, a production or handling operation's organic certification continues in effect until surrendered, suspended or revoked.

International Certification Services, Inc. (ICS Inc.), in granting this certification, warrants it has reviewed the above Certified Party's application, inspection, and other records and determines the products identified on the schedule are organically grown and/or handled in accordance with applicable USDA National Organic Program standards and regulations.

This certificate is issued within the scope of ISO/IEC 17065 accreditation issued by the International Organic Accreditation Service (Registration Number 13).

This certificate is not valid without attached Organic Certification Schedule.

Customers of the ICS client named on this certificate are encouraged to contact the ICS office to confirm the client's current certification status.
